

Front

The diagram shows a rectangular page layout. A solid black line forms the outer border. Inside this, a dotted black line forms an inner border. The word "Front" is centered in the upper half. On the left side, a horizontal arrow points left from a solid line labeled "Cut Line". Below this arrow is the text "Please ensure image or colour bleed exceeds this line to allow for cutting adjustments". On the right side, a horizontal arrow points right from a solid line. Below this arrow is the text "Please keep all text inside dotted lines". At the bottom right, a horizontal arrow points right from a solid line labeled "Maximum Bleed".

Cut Line

Please ensure image
or colour bleed exceeds
this line to allow for cutting
adjustments

Please keep all
text inside dotted
lines

Maximum Bleed

The diagram shows a rectangular page layout with a solid outer border and a dashed inner border. The word "Back" is centered in the middle. On the left, a horizontal arrow points left from a solid line labeled "Cut Line". Below it, text reads "Please ensure image or colour bleed exceeds this line to allow for cutting adjustments". On the right, a vertical arrow points up from the bottom edge to the top edge, and a horizontal arrow points right from the bottom edge to the right edge. Below these two arrows, text reads "Please keep all text inside dotted lines". At the bottom right, a horizontal arrow points right from a solid line labeled "Maximum Bleed".
